

NEWS UPDATE

6 June 2011

Following on from the success of the two Men's teams in reaching the County quarter finals of the Fours Competition, one team of ladies also reached their respective County quarter finals. They competed on Sunday 5 June at St Margaret's Bowling Club, Leicester.

The team comprised of Barbara Livermore, Shirley Burrows, Sue Hayward and Janet Hall.

The initial objective of the ladies' team was to go one better than the Men's teams. Hence, they needed to win the morning match against Barwell ladies. This match was played in very good spirit with vociferous spectators on both sides giving wonderful support. The objective was achieved and Little Bowden ladies were triumphant.

The afternoon semi final was against Fosseway ladies, who had knocked our ladies out of the Top Club a few weeks before. As the match progressed, the Fosseway team slowly started to build a lead but some inspired play by the Little Bowden team towards the end of the match, cheered on by their club supporters, resulted in a win for Little Bowden.

Little Bowden ladies will now go to Leamington Spa in August as one of two teams to represent Leicestershire in the National finals. We wish them every success.
