Front row Myles Clements, John McGuigan, Alan Hickman, Bernard Bowen

Little Bowden was the only club in Leicestershire to have two teams represented at this stage, i.e. the last eight teams of the competition.

West, Sneath, Bowen & Hall forming one team and Eastwick, Hickman, Clements & McGuigan the other.

Little Bowden were last present at this stage of the competition in 2002, and to have two teams present is a very memorable occurrence in what is the premier county bowls team competition.
