

Celebration!!

I have received a phone call from Norman Burns (LBA competition guru) confirming that we have won the Greenwood Cup with an aggregate score of plus 86 shots.

I am not sure about other placings and the result has not yet been published,

As far as I am aware this is the first time in the club's history that we have won a county club competition. Well done to all the participants.

The timing could have not been bettered could it? Victors in our Centenary year!!!!

For your information (and only because I played in the team!!) our club results were as follows:

Sue Pickering. Brenda Eastwick. Colin E. and Keith P. won by 20 shots
Bill Sneath. Jean Kendall. Alan Clements and Myles C. won by 25 shots
Alan Wright. Polly Dodge. David Strachan and John McGuigan won by 25 shots
Barbara Livermore. Sue Hayward. Janet Hall and Richard H. won by 15 shots
